Personal Email/Ex. 6

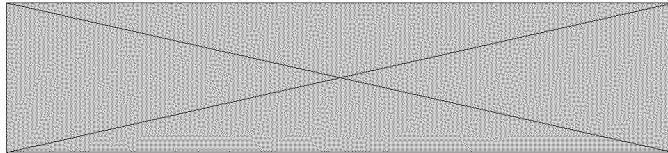

Dan, maybe by now you have met Curtis or a representative from the Southern Ute Tribe. Curtis meet Dan, Dan Curtis. Curtis, I shared w/ Dan you had placed 2 ph, conductivity and temp continuous reading devices in the Animas. Dan would like the information so I am connecting you both.

I hope, Peter Butler or all of us collectively will get together and share all our information, it will tell a more complete story.

Personal Email/Ex. 6 Curtis not sure if you had SUT email, this is what I have been using.
